

EMERGING SCIENCE TECHNOLOGY AND INNOVATION CONCLAVE-2026 (ESTIC-2026)

Guidelines for Poster Preparation and Presentation

Poster Dimensions: Poster should be prepared in portrait orientation with dimensions of 90cm×100cm (w × h)

Content of the Poster: Posters should present original scientific or technical work relevant to the conference themes. The content should be scientifically accurate, objective, and professional and not speculative. Posters must not contain any political, defamatory, offensive, or otherwise sensitive content.

Posters should be clear, legible, and visually appealing, should, use appropriate font sizes, figures, tables, and illustrations.

Poster Display: Poster should be displayed at least half an hour before the designated time of session at the assigned space and the presenting author should be available beside the poster during the poster session for any queries.

Presentation: Only one author from the team will be permitted to present the poster during the designated session. Presenting author should be among the listed authors of the poster.

Schedule of Presentation: The schedule of presentation including the session name, date and time of presentation shall be communicated to shortlisted candidates well in advance. The schedule may also be made available on the website.

Certificate of Presentation: A certificate of poster presentation shall be awarded to (only) the presenting author of the poster. Further announcements to the modality of presentation of the certificate and where to collect it shall be made during the conclave.

Other Information

Participants are responsible for making their own travel, accommodation, and other logistical arrangements. No Travel Allowance (TA) or Dearness Allowance (DA) will be provided by the organizers.
